<http://www.global.hosei.ac.jp/en/support/scholarships-offered-by-hosei-university/>

※Payment refund after your enrollment

If you decide to withdraw your enrollment after completion of admission procedure, and of payment of your academic fees, notify us of this by August 31 (SAT), 2019. You will have a full refund except the admission fee. For more details, refer to “Documents for Enrollment” which will be sent to the successful applicants.

12. Additional References

[Entering Japan]

Applicants should take full responsibility for their immigration formalities.

[Housing]

You need to implement your own accommodation arrangements after receiving a letter of acceptance from Hosei University. You can reach some agencies by yourself after/prior to your arrival and contract at your own responsibility. Be aware that Hosei University has no involvement in these agreements. “Koganei Campus Housing Information” will be sent to the successful applicants for reference.

[Health checkups and health insurance (in case of illness) during study at the university]

Students are allowed to go to the University clinic for medical examinations and consultation about physical problems.

As for the health insurance, students can become members of “National Health Insurance”.

Also, Hosei University introduces insurance for international students covering medical expenses, which students are subsidized for the premium. The information will be announced on July, 2019.

[Scholarships (Planned for academic year 2019)]

(1) Hosei University Centennial Graduate Scholarship

Number of recipients: 160

The amount of scholarship: Yen 200,000

(2) Research Grant for Doctoral students

Number of recipients: 20

The amount of scholarship: Yen 450,000

(3) Other scholarships and grants are provided for foreign students by public organizations and private foundations, however, the number of beneficiaries is limited. After admission to Hosei University. Check the information on the bulletin board at Koganei Campus.

(Note)

- The above scholarships are applicable only after admission, therefore most of international students need to be financially prepared at least for the first year in school.

[Necessary Credits for Completion and Terms of School Attendance]

(1) Master's Course

Candidates for Master's degree need to obtain more than 30 course credits, get through their Master's thesis screenings, and pass final examinations. The study is usually completed in 2 years and has to be finished within 4 years.

(2) Doctoral Course

Candidates for Doctoral degree need to complete their courses, get through their dissertation screenings, and pass final examinations. The study is usually completed in 3 years and has to be finished within 6 years. As an exceptional case, the study may be completed in 1 year for students who have taken more than 2 years to complete the master's course or in 2 years for students who have completed the master's course in 1 year.

[Conferral of Degrees]

Upon successful completion of their courses, students will be conferred the following degrees:
